UNITED STATES DISTRICT COURT  
DISTRICT OF NEVADA

\* \* \*

UNITED STATES OF AMERICA,

Plaintiff,

v.

RYAN W. PAYNE,

Defendant.

Case No. 2:16-cr-00046-GMN-PAL

**ORDER**

(Mot. Sealed Dkt. – ECF No. 3441)

This matter is before the court on Defendant Ryan W. Payne’s Motion Requesting Copy of Sealed Docket (ECF No. 3441), filed February 19, 2019. This Motion is referred to the undersigned pursuant to 28 U.S.C. § 636(b)(1)(A) and LR IB 1-3 and 1-7 of the Local Rules of Practice. The court has considered the Motion, and the Government’s Response (ECF No. 3444), filed February 28, 2019.

**BACKGROUND**

In January 2018, the district judge granted in part and denied in part Intervenor Las Vegas Review-Journal and Battle Born Media’s Motion to Unseal (ECF No. 3010), and referred the matter to the undersigned to set a status hearing to assess whether documents filed under seal pursuant to the court’s Protective Order (ECF No. 609) should remain sealed. Mins. of Proceedings (ECF No. 3116), Hr’g Tr. (ECF No. 3130).

The court set the matter for a status conference on January 29, 2018. ECF No. 3141. During the January 29, 2018 hearing, counsel for Intervenor, counsel for the United States, and counsel for Defendant Cavalier appeared. Mins. of Proceedings (ECF No. 3162). No other defendant or defense counsel appeared in the initial or subsequent hearings conducted on Intervenor’s motion. No other parties filed papers or briefs on the issues the district judge referred. Mins. of Proceedings (ECF No. 3208, 3229, 3260); Order (ECF No. 3371).

1 In preparation for the first hearing, the court directed the clerk's office to prepare a sealed  
2 data report reflecting all docket entries sealed in this case. The sealed data report is a 68-page  
3 document containing approximately 6–10 docket entries per page describing the nature of the  
4 documents filed under seal. The court carefully reviewed the report and personally redacted a  
5 handful of entries that the court determined were either confidential and/or privileged. The court  
6 found that describing the nature of the redactions would disclose highly sensitive, confidential  
7 information. A copy of the sealed data report was provided to all counsel present at the January  
8 29, 2018 hearing, which was open to the public. Mins. of Proceedings (ECF No. 3162).<sup>1</sup> The  
9 court made the sealed report available to any pro se defendant or defense counsel requesting access.  
10 *Id.*<sup>2</sup> The defendants and their counsel were given an opportunity to review the sealed data report  
11 to allow them to consider whether any additional data or information on the report should be sealed  
12 or redacted. *Id.* No pro se defendant or defense counsel requested a copy of the report, or requested  
13 any further redaction or sealing of it. No pro se defendant or defense counsel joined the  
14 Intervenor's motions or argued in favor of unsealing additional filings.

15 The government agreed to unseal most of the documents originally sealed on the court's  
16 docket, leaving only 28 documents in dispute for the court's decision. After holding multiple  
17 hearings and reviewing the participating parties' written submissions, the court entered an Order  
18 (ECF No. 3371) on October 22, 2018, unsealing certain filings while leaving others under seal for  
19 reasons explained in the order. No party appealed or objected to the order.

## 20 DISCUSSION

21 The current Motion "requests a copy of the sealed docket in this case for Mr. Payne and all  
22 co-defendants." ECF No. 3441 at 1. Counsel for Payne claims that numerous docket entries are

---

23 <sup>1</sup> No party objected to the court's redactions.

24 <sup>2</sup> The court's minutes state:

25 The Court will make the Sealed Document Report available to any other Defense Counsel  
26 who may wish to review it and argue that documents should or should not remain under  
27 seal, or if there is a request for further redaction. **IT IS ORDERED:** Defense Counsel shall  
28 contact this Court's Courtroom Deputy if they wish to review the Sealed Document Report,  
understanding that the report itself is sealed until further Order of the Court, subject to the  
Protective Order, and that they acknowledge the report is not for public dissemination.

Jan. 29, 2018 Mins. of Proceedings (ECF No. 3162).

1 missing and are not publicly available on the court's docket. The Motion asserts that Payne's  
2 counsel must "review the district court's sealed docket to ensure they have obtained all relevant  
3 documents and exhibits for purposes of litigating Mr. Payne's appeal." *Id.* at 2.

4 In its Response (ECF No. 3444), the government argues that it is unclear what relief Payne  
5 seeks. The government has no objection to providing Payne with a copy of the sealed data report  
6 previously prepared by the clerk's office. However, the government argues Payne has made no  
7 showing to unseal the limited number of documents and exhibits the court ordered would remain  
8 sealed.

9 The court agrees. Counsel for the defendants, Intervenor, and the government, as well as  
10 the pro se defendants were given every opportunity to obtain a copy of the sealed data report and  
11 participate in proceedings determining whether contested documents should remain sealed. Only  
12 counsel for the government, counsel for Intervenor, and counsel for Cavalier requested a copy of  
13 the sealed data report let alone participated in proceedings regarding the continued propriety of  
14 maintaining a limited number of documents under seal.

15 To avoid repetitive motion practice from non-participating defendants and their counsel,  
16 the court will require the clerk's office to file a copy of the redacted sealed data report on the  
17 docket so it is available to all defendants, their counsel, and the public.

18 Having reviewed and considered the matter, and good cause appearing,

19 **IT IS ORDERED:** Defendant Ryan W. Payne's Motion Requesting Copy of Sealed  
20 Docket (ECF No. 3441) is **GRANTED** to the limited extent that the redacted sealed data report,  
21 attached as Exhibit A to this order, is now filed on the public docket.

22 Dated this 4th day of March 2019.
